Sub: TRAINING OF WIDOWS. - FINANCIAL ASSISTANCE - REQUESTED.
Ref: Application dated 13-8-49 received in this office from
Mrs.K.Rama Bai widow of late No.31197 Hav.K.Sripad Rao.

From the certificates copies of which are enclosed it is seen that the above named widow is undergoing 6 months course in needle work and embroidery paying Rs.Rs.10/-p.m. and that she has also applied to appear for the Technical examination for Higher grade Rs.12/- in needle work and dress-making and Rs.6/- for the lower grade in embroidery.

The widow was sanctioned Rs.72/- during the last year for her needle work training course by your office and she being unable to pay towards the cost of her present training pleads with me to assist her in prosecuting the courses above mentioned which she has undertaken to train up during this year.

The widow is poor and is not able to meet the expenses required for her study. She has no one to help her and requires Rs.78/- in all to finish the courses.

It is requested that consideration may please be shown to her in view of her poor condition and possible assistance may please be given to her in this case.

Sir,

I beg to state last year, I attended the needle work classes and I was given a government grant of Rs.60/- for six months and Rs.12/- for examination fees ~~of Rs.12/-~~ as I am a widow of a deceased Ex-Service Man. I have passed the Lower grade Examination in needle work and I have not got any appointment so far. Every school requires a Higher Grade Teacher and no chance is being given to my lower grade qualification.

~~There fore, I most humbly pray that I may be given~~
further help to continue my studies to pass the Higher grade examination in needle work, and I may be granted Rs.10/- per month as was paid last year and an examination fee of Rs.24/-.

I have absolutely no other means and without any appointment I am in great distress; hence the above grant may be sanctioned to me to enable to join the Needle Work Classes again.

For which act of kindness I will remain ever grateful,

Yours faithfully,

K. Rama Bai
Applicant.

Ref:- No. 1959/2/49 dt 4. 10. 49 from the Secretary DSSAB S. Kan

The Secretary DSSAB S. Kanara is informed that the Board cannot go on ^{sanctioning grants} ~~granting~~ for educational ^{purpose} for years since the scope of the M.P.M.B. Fund is to alleviate distress only. This widow ~~has been receiving~~ ^{received} fair treatment ~~by~~ ^{from} the Board. In addition to a ^{sum} ~~grant~~ of Rs. 74/- given last year a ^{monthly} grant of Rs. 41/- PM was ^{made} ~~given~~ from June '48 to May '49. ~~Her case was not recommended by the Secretary presumably because the family pension might have been sanctioned by this time. Her request for grants for further training is rejected. The Secretary may try to put her on a job as a track~~

Financial assistance - For

K. Karna Bai w/o late Hanjee Gajpad Rao

Letter No. 1959/2/49 d/4.10.49 from Dst
S. Kanara recommending a sum of
Rs. 78/- for further training in needle work &
dressmaking is submitted.

In the last year as recommended by the
Secondary a sum of Rs. 72/- was given her for
the payment of her fees. But in her application
d/13-8-49 she says that since she is only
a lower grade teacher (in needle work) she
finds it very hard to get a job and hence
she wants to undergo further training.

Flag (A) Besides Rs. 72/- given to her for training course a grant of Rs. 14/- was given to her for one year commencing from June '48 to May '49. Her case was not recommended by the Secretary after its scrutiny by him and J. P. ~~presumably~~ ^{probably} because of her family ~~financial~~ ^{hard} ~~sanctions~~.

P. I. / 12/10/49 The Secretary does not mention any thing about her family condition. In his letter No. R.E.P. 1721 dated 26-5-48 the Secretary reported that her position claim ^{was} under consideration and steps ^{were} being taken to expediate the same.

"B" The Secretary may be asked whether position has been sanctioned now and if so how much.

for orders on A & B

by 12/10 The point is: we have already granted a lump sum of Rs 72/- in 1948, with which she completed the lower grade in needle work. We have thus helped her to get a technical qualification to improve her earning capacity.

She now requires Rs 78/- to complete the higher grade. It is doubtful whether we may go on making grants without end, till she completes after grade.

If Secy. desires to consider another grant favourably, further report as to her present financial circumstances and whether pensions has been sanctioned ~~there~~ may be called for. If not, the Secy. may be asked to submit M.P.M.B. proposals in renewal.

For orders.
